

PATRON PARTNERSHIP PROPOSAL

ICDSG 2026

The 2nd International Conference on Data Science and Geoinformatics

THEME

"Digital Twins, GeoAI, and Responsible Data for Sustainable Futures"

DATE	CITY
November 25th-27th, 2026	**Bali, Indonesia**
VENUE	**WEBSITE**
Sovereign Bali Hotel	**www.icdsg.org**

Jl. Raya Tuban Lingkungan Griya No. 2, Tuban, Kuta District,
Badung Regency, Bali 80361, Indonesia

LETTER OF OFFER

LETTER FROM THE COMMITTEE

Malang, August 2026

To
The Management of Prospective Patron
Companies and Institutions of ICDSG 2026

Subject: Offer of Patron Partnership for ICDSG 2026

Dear Sir or Madam,

The Organizing Committee of The 2nd International Conference on Data Science and Geoinformatics (ICDSG 2026) invites your company or institution to take part as a Patron of this international conference, to be held on 25–27 November 2026 at the Sovereign Bali Hotel, Bali, Indonesia.

Under the theme "Digital Twins, GeoAI, and Responsible Data for Sustainable Futures", ICDSG 2026 provides a meeting point for academics, researchers, practitioners, industry players, government, and professional communities to discuss responsible data-driven and geospatial innovation with real impact on sustainable development.

Through a Patron partnership, your company gains brand exposure, direct interaction with participants, the opportunity to share industry insights, product or solution demonstrations, and stronger networks within the Data Science and Geoinformatics community. Support may be provided in cash, in kind, through a speaking session, an exhibition booth, or a combination of these.

We would be glad to discuss the package that best fits your company's objectives. Details of the Patron schemes and benefits are presented in this proposal. Thank you for your attention and cooperation.

Yours sincerely,

Dr. Ir. Ketut Tomy Suhari, S.T., M.T., IRSurv.
General Chair, ICDSG 2026
INABIMS

CONFERENCE SNAPSHOT

ICDSG 2026 AT A GLANCE

ICDSG 2026 is the second edition of this international conference on Data Science and Geoinformatics. It is designed to bring together scientific development, technology application, industry needs, and public policy in a single collaborative forum.

Event name	The 2nd International Conference on Data Science and Geoinformatics (ICDSG 2026)
Date	25–27 November 2026
Location	Sovereign Bali Hotel, Bali, Indonesia (Antarshuka Ballroom and breakout rooms)
Theme	"Digital Twins, GeoAI, and Responsible Data for Sustainable Futures"
Audience	Academics, researchers, practitioners, industry, government, and professional communities.

Meaning of the Theme

Digital Twins connect physical systems with dynamic digital representations; GeoAI generates intelligence from spatial data; while Responsible Data ensures that data is managed securely, ethically, transparently, and inclusively.

Main Scope

1. **Data Science & Artificial Intelligence:** Advanced Machine Learning & Deep Learning, Big Data Analytics, Data Visualization, Predictive Modeling, Decision-Making Systems, Data Ethics, Privacy & Governance, Data Science for Healthcare, Data Science for Education, Data Science for Environment, and Data Science for Business
2. **Geoinformatics & GeoAI:** Geographic Information Systems (GIS), Remote Sensing, Spatial Data Analysis & Modeling, GeoAI, AI & Machine Learning for Geospatial Applications, AI-powered Disaster Risk Assessment, Early Warning Systems, AI-driven Traffic Control, Intelligent Transportation Systems (ITS), Drone Technology for Infrastructure Inspection, and Drone Technology for Urban Planning.
3. **IoT & Security in Geoinformatics:** IoT-based Geospatial Data Collection, IoT-based Geospatial Data Analysis, Cybersecurity in Geoinformatics, Secure Data Sharing, Data Interoperability in IoT Ecosystems, Blockchain for Geospatial Data Integrity, IoT for Agriculture, IoT for Transportation, and IoT for Environmental Monitoring

STRATEGIC VALUE

BENEFITS OF BECOMING A PATRON

Core value: Positioning your company at the centre of the conversation on data, geospatial technology, AI, and sustainability, while opening direct interaction with the academic and professional community.

1) **Strategic exposure.** Your brand appears on digital channels, at the venue, on participant materials, or in sessions according to the package.
2) **Thought leadership.** Your company can share industry insights through a Corporate Talk relevant to the theme.
3) **Solution showcase.** Products, technologies, or services can be introduced through a booth and live demonstrations.
4) **Network access.** Interaction with researchers, academics, practitioners, government, and prospective collaborators.
5) **Sustainable image.** Positive association with the responsible use of data and technology.
6) **Flexible support.** Contributions may be in cash, in kind, through a speaking session, a booth, or a combination.

Exposure Points

BEFORE THE EVENT	DURING THE EVENT	AFTER THE EVENT
Website, e-flyer, digital materials, and pre-event communication.	Antarshuka Ballroom backdrop, Patron booths inside the ballroom, mentions by the master of ceremonies, speaking sessions, demos, and seminar kits.	Documentation, recap publications, and follow-up networking opportunities.

Relevant Programme Formats

Patron activations can be integrated proportionally into plenary sessions, parallel sessions, panel discussions, Corporate Talks, product demos, networking, and conference communication materials. Main sessions are planned for the Antarshuka Ballroom; parallel sessions will use the breakout rooms; and booths are placed inside the Antarshuka Ballroom itself rather than in a separate exhibition area, keeping Patrons within the participant flow throughout each session. The detailed floor plan is presented together with the package table. Final placement follows the official programme, participant flow, and the outcome of technical coordination with the venue.

PARTNERSHIP OPTIONS

TWO TYPES OF PATRON PARTNERSHIP

"A flexible scheme: Patrons may choose the exposure scheme, the contribution scheme, or combine both. The total value of support will be mapped to the most appropriate benefit tier."

1. Exposure Patron

Patron Speaker - from USD 250

1) One Corporate Talk or Industry Insight slot, subject to agenda availability.
2) The speaker's name and company are listed in the relevant session programme.
3) Company logo on agreed digital channels and one conference ticket.
4) The topic, title, speaker profile, duration, and materials must be relevant to the theme and approved by the committee.
5) This package may stand alone or be added to Gold, Silver, and Bronze; Platinum already includes one slot.

Patron Booth - from USD 300

1) A booth area inside the Antarshuka Ballroom for displaying products, services, technologies, and catalogues, and for direct consultation with participants.
2) Two booth formats are available: premium (2 x 3 m) positioned along the rear wall of the ballroom, and standard (2 x 1.5 m) positioned along the right-hand side wall. Positions are limited and allocated in order of confirmation.
3) This package may stand alone or be added to Silver and Bronze; Platinum already includes a premium booth and Gold a standard booth. The partnership value is determined by booth position, size, duration, and facilities.
4) Final size, number of booths, tables and chairs, power requirements, signage, number of staff, installation schedule, and safety routes are determined through technical coordination between the Patron, the committee, and the venue.

2. Contribution Patron

1) In cash, through the Platinum, Gold, Silver, or Bronze package.
2) In kind, including tote bags, flyers, committee and participant shirts, and seminar kits.
3) A combination of cash and in-kind support based on a mutually agreed fair value.
4) Other specific forms of support may be discussed according to the needs of the event and the Patron's activation objectives.

TIERED PACKAGES

MAIN PATRON PACKAGES

The contribution value may be met through cash support, in-kind support of equivalent value, or a combination of both. Final benefits are set out in detail in the partnership agreement letter.

Benefit	PLATINUM	GOLD	SILVER	BRONZE
Contribution value	**USD 1,000**	**USD 800**	**USD 600**	**USD 400**
Logo size priority	Large	Large	Medium	Small
Website and e-flyer	Included	Included	Included	Included
Main event backdrop	Large	Large	Medium	Small
Program book / digital materials	Large	Large	Medium	Small
Committee and participant shirts	Primary logo	Secondary logo	-	-
Tote bag / seminar kit	Logo	Logo	Logo	Logo
Exhibition booth	Premium (2 x 3 m)	Standard (2 x 1.5 m)	-	-
Corporate talk	1 slot	-	-	-
Product / solution demo	1 slot	1 slot	-	-
Conference tickets	4	3	2	1

VENUE AND ACTIVATION SPACE

VENUE, CAPACITY, AND FLOOR PLAN

Planned use. The Antarshuka Ballroom (18 x 16 m; maximum capacity 230 seats in theatre style) is planned as the main hall, accommodating the front stage, LCD screen, participant seating, and the Patron booths. Three Platinum booths (2 x 3 m each) are positioned along the rear wall behind the seating area, and four Gold booths (2 x 1.5 m each) along the right-hand side wall, so that Patrons remain within the participant flow throughout each session. Breakout rooms will host parallel sessions, while the pre-function area is prioritised for registration, networking, and refreshment breaks. Final capacity and placement will be adjusted to the stage, audiovisual set-up, circulation, safety requirements, and hotel approval.

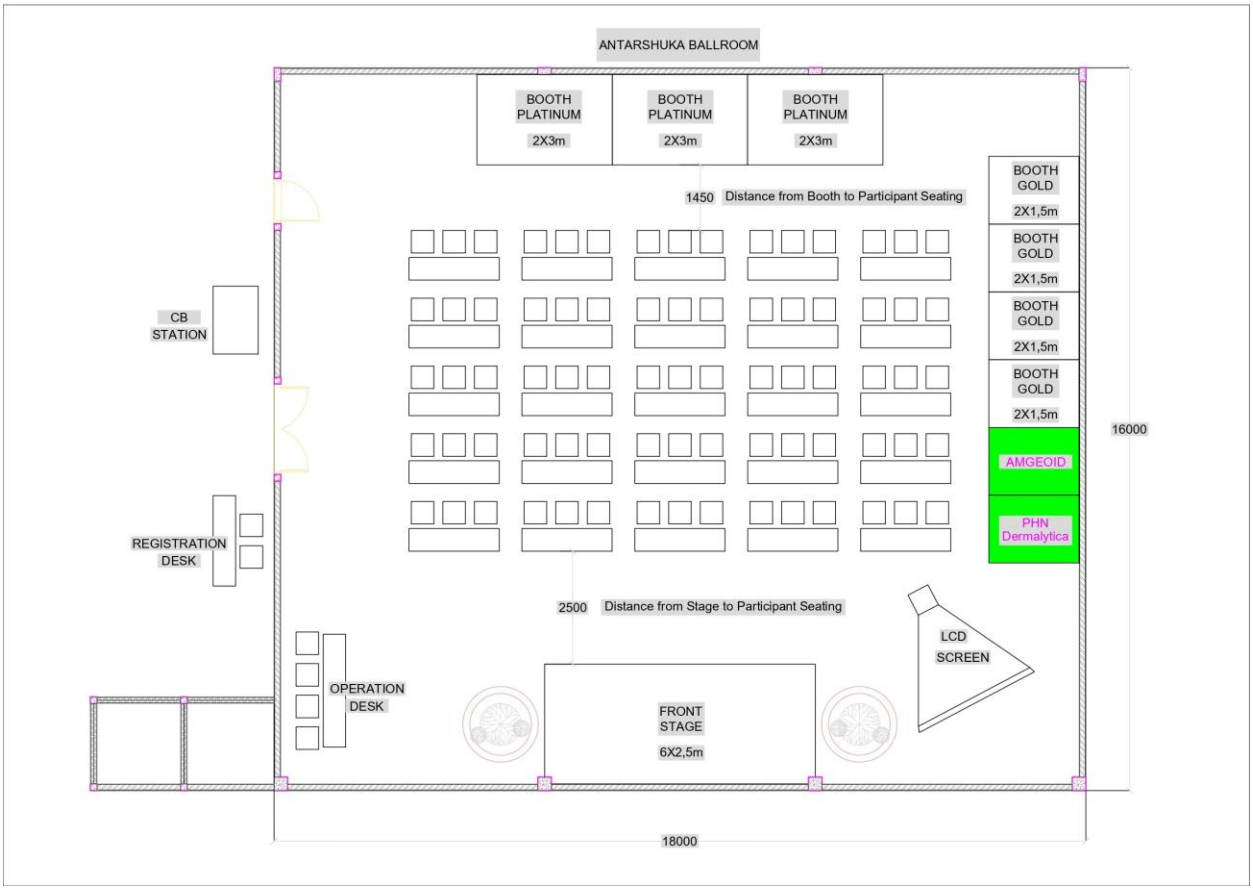

Figure 1. Antarshuka Ballroom layout plan, showing the stage, participant seating, and Platinum and Gold booth positions.

IN-KIND AND BRANDING

IN-KIND SUPPORT AND BRAND PLACEMENT

In-Kind Support *Options*

1) **Participant and committee tote bags.** Production or financing of conference tote bags according to the agreed quantity and specifications.
2) **Flyers and inserts.** Company printed materials may be included in the seminar kit following approval of content and size.
3) **Committee and participant shirts.** Support for production or financing, with agreed design, material, quantity, and logo placement.
4) **Seminar kit.** Support for notebooks, stationery, lanyards, name tags, tumblers, or other relevant items.
5) **Other support.** Printing, documentation, connectivity, transportation, or other operational needs by agreement.

Brand Placement Channels

Digital	Official website, e-flyer, digital materials, and social media publications.
Venue	Antarshuka Ballroom backdrop, in-room booth signage, booth map, exhibition tables, and mentions by the master of ceremonies.
Participant materials	Shirts, tote bags, seminar kits, lanyards, or other materials according to the package.
Sessions	Corporate talk and/or product/solution demo, subject to slot availability.
Documentation	Acknowledgement in agreed recap materials and official documentation.

Valuation and Production Standards

1) In-kind value is determined based on fair market price, official quotations, specifications, quantity, and actual benefit to the event.
2) Cash and in-kind support may be combined to reach a particular package tier.
3) Logos are to be submitted in vector format (AI/EPS/SVG/PDF) or as a high-resolution transparent PNG, together with brand guidelines.
4) All final designs, logo placements, and promotional materials must be approved by the committee before production or publication.
5) Materials received after the deadline may lose part of their placement benefits if production has already begun.

TERMS AND GOVERNANCE

TERMS OF PATRON PARTNERSHIP

1) **Agreement.** All benefits, obligations, schedules, and support values are set out in an official partnership agreement letter.
2) **Availability.** Corporate Talks, demos, booths, and specific placements are granted on the basis of confirmation order, programme availability, room capacity, and technical approval by the venue.
3) **Payment.** For cash support, an initial payment of at least 50% is made after signing; full settlement no later than **10 November 2026**, unless otherwise agreed.
4) **Brand materials.** Logos and brand guidelines are to be submitted no later than **25 October 2026**; speaker details and session materials no later than **1 November 2026**.
5) **In-kind *support*.** Specifications, quantities, product samples, production schedules, and delivery dates are determined jointly; final delivery no later than **10 November 2026** unless an earlier schedule is required.
6) **Production.** Official media are produced or coordinated by the committee to maintain quality, visual consistency, and compliance with venue regulations.
7) **Scientific integrity.** Patron support does not influence the review process, paper acceptance decisions, scientific awards, or the independence of the academic programme.
8) **Session content.** Speaker materials and demonstrations must be relevant, accurate, lawful, and ethical, and must not contain misleading claims.
9) **Technical changes.** If a benefit cannot be delivered due to technical constraints, the committee and the Patron will agree on a replacement benefit of equivalent value.
10) **Documentation.** Agreed official documentation will be provided no later than 30 days after the event.
11) **Force majeure.** Changes arising from circumstances beyond the control of the parties are resolved through communication and written agreement.
12) **Tax and administration.** Tax obligations, invoicing, and administration follow the applicable regulations and the partnership agreement letter.

CLOSING

ICDSG 2026 is expected to be an international forum that strengthens collaboration between academia, industry, government, and professional communities. Patron support will help deliver a high-quality programme while broadening the impact of innovation in Data Science and Geoinformatics. We invite your company or institution to grow with us through a partnership that is relevant, measurable, and mutually valuable.

"Let ICDSG 2026 be the space where your company's innovation meets the research, talent, and networks driving a sustainable future."
